For some time librarians, archivists and collectors in Canada have desired a medium for the exchange of information on collections and items and for the expression of ideas on matters of bibliographical interest. In an attempt to meet this need it has been decided to issue a bi-annual Newsletter. We take great pleasure in sending forth this first issue which contains some of the information and suggestions garnered through the questionnaire distributed to members some months ago. We wish to thank those whose replies have made this publication possible. We invite those who have not yet returned their completed questionnaires to do so in time for the Autumn Issue. Further, members are invited to keep the editor informed of collections and items acquired from time to time, and also to forward him any information which they consider of interest to other members that these may be included in further Newsletters.

1955 ANNUAL MEETING

The Annual Meeting of the Bibliographical Society of Canada will be held in Saskatoon on Thursday June 23rd, 1955, at 6:15 p. m. It will take the form of a dinner meeting, the place to be announced later in the Canadian Library Association programme at the Convention. Non-C. L. A. members may secure reduced railroad fares to the Convention by applying for an Associate Membership to the Canadian Library Association, 46 Elgin Street, Ottawa, Ontario.

MINUTES OF THE 1954 ANNUAL MEETING

The annual meeting of the Bibliographical Society of Canada was held in Toronto on November 25th, 1954, at the University Club. The meeting took the form of a dinner at the gracious invitation of Dr. Lorne Pierce. The president, Dr. W. Kaye Lamb was in the chair with 23 members present.

The report of the treasurer was read and adopted. Letters and telegrams were read from several members of the Society, regretting their absence and sending good wishes to the annual meeting.

The president then gave an informal talk on the work of the Society, and what could be done for the future:

1. He expressed the feeling of the meeting at Dr. Pierce's generosity to the Society. He mentioned in particular the gift to members of the Ryerson Imprint, compiled by Dr. Wallace.

2. He spoke of the increase in books published in Canada as illustrated by *Canadiana*. In 1952 it comprised 259 pages of entries and in 1954, 610 pages.

3. In speaking of bibliography, he felt that there was a great deal of work to be done. There was a market for small and accurate bibliographies, especially of Canadian imprints. He suggested that the Society publish a regular *Bibliographical Review* to take note of work being done in this field. A publication such as this could also act as an exchange centre for views and information. He felt this could be published under the imprint of the National Library and the Bibliographical Society of Canada.

4. He reviewed the history of the Society's reprints and facsimiles and announced that the new publication, the *James Evans Hymnary*, was at the printer's

5. In speaking at the Annual Meeting he reminded the members that it was usually held at the time of the C. L. A. But his need not be so. A centre could be picked every year. The idea of having papers read at a meeting could be explored and more than one meeting could be held a year.

The meeting was then thrown open for general discussion. Publishing and membership were discussed with the idea that one was contingent on the other. The suggestion of a membership drive was given to the incoming executive. It was decided to hold the next Annual Meeting at the time of the C. L. A. in Saskatoon.

Dr. Wallace moved the report of the Nominating Committee as follows:

President: Dr. Louis Blake Duff, 18 King St. Welland, Ont.
1st Vice-President: Mr. G. Malchelosse, 995 Blvd. St. -Laurent,
Montreal.
2nd Vice-President: Miss Florence Murray, 7 Heath St. E.
Toronto.
Secretary-Treas: Miss Donalda Putnam, Provincial Library,
Room 21, Legislative Bldg. Regina, Sask.
Associate-Secretary: Mr. Claude Aubry, Ottawa Public Library
Councillors: Miss W. Barnstead, Miss M. Mercier,
Miss S. Egoff, B. Amtmann, B. Peel,
and N. Harlow.

This report was seconded by Mr. Pennington and carried.

Dr. Lamb then turned the meeting over to the new President, Dr. Louis Blake Duff, who spoke briefly on what he hoped the Society could accomplish in the coming year.

The meeting was then adjourned.
