MINUTES OF THE 1982 ANNUAL MEETING
THE BIBLIOGRAPHICAL SOCIETY OF CANADA/
LA SOCIÉTÉ BIBLIOGRAPHIQUE DU CANADA

1. The 37th Annual Meeting was held at the Diefenbaker Centre, University of Saskatchewan, in Saskatoon, Saskatchewan on Wednesday, June 9, 1982, at 7:00 p.m.

The President, Professor Gloria Strathern, called the meeting to order, and welcomed members and guests. There were about 40 people present.

Approval of the agenda was moved by Beth Miller, seconded by Miss Elizabeth Hulse, and carried.

2. The minutes of the 36th Annual Meeting of June 10, 1981, had been published in the May, 1982 issue of the Bulletin. Miss Marion Cameron moved that the minutes be accepted as published. This was seconded by Professor Peter McNally and carried.
3. Professor Strathern, in her President's Report, expressed confidence that, having weathered the transition to a new fee structure and a new constitution, the Society would move into an era of greater productivity in the future. She stressed the need to increase our membership. The President continued by paying a tribute to three members of Council who were retiring after long and devoted service, Mr. H. Pearson Gundy, Dr. David M. Hayne and Mr. William Morley. Professor Strathern then expressed her thanks and the thanks of the Society to all who had made this Annual Meeting possible: Mr. Ian Nelson, the local arrangements chairman; the University of Saskatchewan; Mr. John Munro, Director of the Diefenbaker Centre; Ms. Patricia Williams, Assistant in charge of Archives; and the Saskatchewan Writers' Guild, which sponsored the social period after the meeting.
4. The Secretary-Treasurer, Miss Cameron, read the Treasurer's Report. There was a balance in the General Account of \$9,808.76 as of April 30, 1982, and a balance in the Bibliography of Canadian Bibliographies account of \$4,077.12. (Complete reports are available upon application to the Secretary-Treasurer of the Society.)

Miss Cameron explained that, in order to change our fiscal year to the calendar year, the next fiscal period would be a short one, from July 1, 1982 to Dec. 31, 1982. The membership year would also be changed to the calendar year, but in this case members would receive 18 months membership for the regular annual fee, from July 1, 1982 to Dec. 31, 1983.

5. The report of the Nominating Committee was as follows:

Miss Lillian Rider moved that nominations be closed. This was seconded by Mrs. Frances Morrison and carried.

6. The report of the Publications Committee, submitted by Mr. Gundy, was read by the Secretary-Treasurer, as follows:

During the past year, the Society has not made any additions to the monograph or facsimile series, owing in large measure to greatly increased production costs. The annual Papers, the Bulletin, and a new Directory of Members, however, have duly appeared. Having served as Chairman of the Publications Committee since 1972, I have asked Council to accept my resignation, and in doing so wish to thank members of the committee and of Council for unfailing support during the past decade. Under a new Chairman, the Society's reputation as a publishing society will, I am sure, be sustained and advanced.

Miss Hulse added a progress report on the Papers/Cahiers. Volume 20 was expected to be ready for distribution early in the fall of 1982. An index to volumes 11-15 of the Papers/Cahiers would be distributed at the same time.

7. The Constitution as revised in 1981-82 had been accepted by the members in a mail ballot, the results of which were overwhelmingly in favour of the text as mailed to members early in 1982. Several emendations of the text, submitted by Dr. Neill, were presented to members. Dr. Thériault moved the adoption of these emendations, seconded by Beth Miller. Carried.
8. Miss Van der Bellen read a report on the Bibliography of Canadian Bibliographies, submitted by the Editor, Mr. Greig. A schedule was outlined which would see the third edition of BCB ready for publication in 1984. This report was received and further details will be submitted to Council's fall meeting.
9. Miss Hulse presented a "Call for nominations for the Marie Tremaine Medal" which the Tremaine Medal Committee intended to publish in suitable journals, as recommended by the previous Committee and by Council. This would give wider publicity to the award and ensure an adequate number of nominations from which to select the winner.
10. A report by the Editor of the Bulletin, Beth Miller, although in hand, was not read at the meeting. Copies may be obtained upon request to the Editor.
11. At the conclusion of the Business Meeting, the President asked Mrs. Frances Morrison to introduce the speaker, Miss Elizabeth Hulse.

Miss Hulse is the former Editor of the Bulletin, currently Editor of the Paper/Cahiers, and librarian at the Thomas Fisher Rare Book Library, University of Toronto. In her address on the topic, "Toronto printers, A to Z: a personal alphabet," Miss Hulse shared with us many intriguing and amusing facts gleaned during the preparation of her book, A Dictionary of Toronto Printers, Publishers, Booksellers and the Allied Trades, 1798-1900.

Mr. Ian Nelson thanked Miss Hulse for her address.

12. The incoming President, Miss Van der Bellen, expressed her appreciation of Mrs. Strathern's leadership during the past two years and her confidence that with the support of the new Council and the membership the Society would continue to achieve its goals. She urged the members to recruit new members among their friends and colleagues. Miss Van der Bellen announced that plans for the Annual Meeting in Winnipeg in June, 1983, were already well advanced, and that an interesting all-day programme was being arranged.

The meeting was adjourned to a lounge in the Diefenbaker Centre where refreshments and conversation were enjoyed. Miss Nancy Senior of the Saskatchewan Writers' Guild had provided a display of works by Saskatchewan authors. Also on display were copies of A Dictionary of Toronto Printers, Publishers, Booksellers and the Allied Trades, 1798-1900, by Elizabeth Hulse, and Alberta, 1954-1979: a Provincial Bibliography, by Gloria Strathern. In addition, copies of various pamphlets, including the special Saskatoon Centennial issue of the University of Saskatchewan Library's Notable Works and Collections, were made available to those at the meeting.

The final pleasure enjoyed by those who attended this year's meeting was a tour of the Diefenbaker Centre Archives, including memorabilia of John Diefenbaker and replicas of the Prime Minister's Office and the Cabinet Chamber as they appeared in 1957, conducted by Ms Patricia Williams of the Centre's Archives staff.

Gloria M. Strathern,
President.

Marion D. Cameron,
Secretary-Treasurer.

Anne C. Kyte

Mrs Anne C. Kyte, widow of Ernest Cockburn Kyte, a founder of the Bibliographical Society of Canada died on November 23, 1982. The following tribute was prepared by Peter Greig and William F.E. Morley.

Anne Constance Kyte (née Turner) was born in London, England, on December 5, 1905. She received her education in London and completed a degree in history at the University of London before taking up a brief career in a Cambridge bookselling firm. Her love of the London scene and her enthusiasm for books were apparent from the first. In 1930 Anne Turner married Ernest Cockburn Kyte (1876-1971), Chief Librarian of Queen's University from 1928 to 1947 and a founder with the late Dr. Lorne Pierce and Miss Marie Tremaine of the Bibliographical Society of Canada, and moved to Kingston, Ontario.

Throughout her years in Kingston Anne Kyte participated in a wide range of campus and city activities, including those of the Faculty Players and other drama groups. Her two daughters, Elizabeth (Mrs. Alexander Bruce) and "Frankie" (Frances - Mrs. Albert Spinner) were born in Kingston and received their early education in the city. As the wife of the Chief Librarian, Anne Kyte was frequently called upon to entertain distinguished librarians visiting the University, including that of Arundell Esdaile for a protracted stay at the beginning of the second World War.

In the years following her husband's retirement from Queen's University, and while he was engaged as the first archivist of the United Church and as the curator of the William Lyon Mackenzie Museum in Toronto, Anne Kyte developed an already keen business sense in operating Tangmere House in Cobourg. During this period she also served as President of the local Business and Professional Womens Club. During her later years Anne Kyte was active in a number of benevolent organizations, including the Canadian Legion, Meals on Wheels and the hospital auxiliary and she gave valued support to both St. Peter's (Anglican) Church and the Cobourg Public Library. A common thread running through the Kingston-Cobourg years was her keen delight and consummate skill as a bridge player!

From her earliest years Anne Kyte was an avid and life-long reader and neither glaucoma nor operations for cataracts in recent years appreciably slowed her appetite for the printed word. Both she and her husband were compulsive book buyers but successive moves between Kingston, Toronto, Cobourg, England, with a final return to Cobourg in the 1960s, after 1947, dispersed their joint collection. She often remarked on the loss of some treasured items in a basement flood in Toronto, while many items were sold before their departure to England in 1959. Following her husband's death in 1971, Anne Kyte began a systematic collection of books on England, particularly various Batsford and Collins imprints' series and books relating to London. Her collecting enthusiasm was tied to a fine acumen for all that was good in the printed book and her contacts with British and Canadian antiquarian book dealers was a mutual source of pleasure.

To members of the Society who had the privilege and pleasure of knowing her, Anne Kyte's keen wit and ever acute phrase will be only a small part of that sparkling personality which will be so sadly missed. Anne Kyte died at her home in Cobourg, Ontario, on November 23, 1982, after a short illness. The funeral service was held at St. Peter's Church, Cobourg, on November 25, 1982. Donations may be made to the Canadian Cancer Society or to St. Peter's Church (King and Church Streets, Cobourg, Ontario).

SSHRC Grant: Strengthening of Specialized Collections Programme

In December of 1982, the Library, University of Waterloo in Waterloo, Ontario, received notification that it had been awarded a grant totalling \$7,500 under the Social Sciences and Humanities Research Council Strengthening of Specialized Collections Programme (Fleeting Opportunities). This programme was designed to help university libraries strengthen their specialized collections of national importance and to enable them to take advantage of unforeseen opportunities to buy highly desirable items.

The award, which will be matched by the University Library, will be used to purchase a 280-volume collection of rare books on dance and ballet. Made up

of portions of the personal libraries of dance writer, choreographer and collector George Chaffee and Hilda Butsova, the understudy of Anna Pavlova, items in the collection range in date from 1687 to mid-twentieth century. Of great importance to the study of the history of ballet will be the four volumes of the Journal des Spectacles (Paris, 1764-1772); Portraits et biographies des plus celebres maitres de ballets et choreographes (Paris, 1852) and three seventeenth century works by Lully containing notices of contemporary dance performances.

The collection will be added to the existing collection of dance books in the Doris Lewis Rare Book Room in the Arts Library. The nucleus of this collection was the 125 volume personal library of rare dance books belonging to former faculty member Dr. Henry H. Crapo which was donated to the University Library in 1975. Dr. Crapo's collection was described in Number 3 of the Library Bibliography Series. A future issue of this Series will list the contents of the Chaffee-Butsova Collection. In addition, the collection will be briefly described in Number 19 of the "Doris Lewis Rare Book Room - Recent Acquisitions Newsletter."

Work in Progress

British Imprints to 1763

William F.E. (Bill) Morley is working on a bibliography of British imprints to 1763 of Canadian interest. It was originally a rough typescript compiled over many years by the late Dr Freda Waldon, Librarian of Hamilton Public Library, Hamilton, Ontario. Bill is editing, enlarging and tidying it for publication. He recently received a modest grant from SSHRC and is being assisted by Stewart Renfrew, of Douglas Library at Queen's University. Art and Architecture in Canada: A Bibliography

The Social Sciences and Humanities Research Council of Canada has awarded Mary Williamson, Fine Arts bibliographer of York University and Loren Singer, Visual Arts librarian of Concordia University a two year grant of \$150,000 (\$75,000 per annum) to prepare a reference guide to the literature of art and architecture in Canada. Contributors from Parks Canada, the National Museums of Canada, the Public Archives of Canada and museums and universities specializing in Canadian art and architecture will participate in the project.

The bibliography will include approximately 6,000 annotated entries selected from books, exhibition catalogues, essays, journals, newspapers, government publications and theses published during two to three hundred years in Canada and abroad. It will be divided into nine broad classified sections or chapters: General, Canadian Native Art, Architecture, Sculpture, Painting, Art Media: Twentieth Century, Graphic Arts, Decorative Arts, Folk Art and Photography. Each section of the bibliography will be preceded by an introduction and detailed table of contents outlining the organization of the section.

An author, title and subject index following the main body of the bibliography will provide detailed access to names, titles and subjects.

The bibliography will be a bilingual publication. The general and sectional introductions and tables of contents will be in English and French. English language entries will be annotated in English and French language entries will be annotated in French. Entries in other languages will be briefly annotated in both English and French. All entries will be indexed by subject in both English and French.

Recent Publications of Interest to Members

A Catalogue of the Lady Aberdeen Library on the History of Women

The University of Waterloo Library has recently published, as Number 7 in its Bibliography Series, A Catalogue of the Lady Aberdeen Library on the History of Women. The catalogue contains entries for some 1400 items which form the "Lady Aberdeen Library" donated to the University Library by the National Council of Women of Canada in 1967 as a part of their Centennial project. Formed by Council members from the early 1950's to 1967, the Library was named in honour of Lady Ishbel Aberdeen, wife of one of Canada's Governors-General and founder of the National Council of Women of Canada. The catalogue presents a unique source of material for those studying the women's perspective whether it be in a historical, literary, political or social context.

Compiled by Jane Britton, (Library Assistant, Rare Books), the 237 page catalogue is available for \$10.00 from: Jorn Jorgensen, Library Business Administrator, Dana Porter Arts Library, University of Waterloo, Waterloo, Ontario N2L 3G1

Amtmann Circle Bulletin

Following the death of Bernard Amtmann, a Canadian bookman, bibliographer and bookseller, in 1979, the Circle was established to sponsor scholarly projects in bibliography, Canadian history, book selling and book collecting and thereby foster greater communication among antiquarian book dealers and book collectors. Recently, Peter E. Greig was named editor of the Amtmann Circle

Bulletin, a publication established to provide a ready means of communication among the members of the Circle. Initially it is planned to issue three numbers of the Bulletin in 1983 and, later, to increase the number of issues as time, copy and the Circle's finances permit.

The following information, submitted by Peter Greig, describes in some detail the proposed contents of the new publication:

"Some of the planned, regular columns of the Bulletin, which may be of particular interest to you, are:

- a register of recently issued dealer catalogues;
- antiquarian book trade business notes;
- news and reviews of current and forthcoming meetings and exhibitions.

REGISTER OF DEALER CATALOGUES

To ensure that the Bulletin is as topical and as useful to the Circle members as possible it will include a list of recently issued and forthcoming dealer catalogues. An abbreviated note, providing the dealer's address, the broad subject nature of the materials listed and the number of the items in the catalogue will form part of the reference. If you are issuing catalogues I would appreciate receiving a copy, or a notification of planned catalogues with the date of anticipated publication, for inclusion in the register. Please note: if you send an actual copy of a recent catalogue you should mark the month and year of issue prominently on the front cover.

ANTIQUARIAN BOOK TRADE BUSINESS NOTES

The Bulletin will carry short news notes on upcoming auctions, announcements of new dealers, changes of dealers' addresses or hours of business, etc. Any information of this nature would be greatly appreciated.

MEETINGS AND EXHIBITIONS

The Bulletin will feature regularly information about meetings and displays relating to the book arts, bibliography and the history of printing, publishing and the book in general. Institutions and associations undertaking these activities are requested to add the Bulletin to their news release distribution list. The following basic information would be appreciated for the announcements:

Meetings

- meeting title
- name and address of sponsoring body
- time and place of meeting
- attendance fee
- contact - name, title, address and phone number

Exhibitions

- exhibition title
- name and address of sponsoring body
- address at which exhibition may be viewed
- inclusive dates and hours during which exhibition may be viewed
- availability of exhibition catalogue (price, address from which catalogue may be obtained)

The Bulletin will also contain news of collections in institutional or private hands, book reviews, and interviews or reminiscences of antiquarian book dealers, collectors, and other individuals connected with the book arts.

The first issue of the Bulletin should appear in early March 1983. Contributions for numbers two and three of the Bulletin should be received by April 15th, 1983, and August 15th, 1983, respectively.

Our Mistake

Page 9 of the November issue of the Bulletin (n.s., no 19, November, 1982) carried a description of Natives Language Bibliography a project mounted by the Anglican Church of Canada to produce a catalogue of native language imprints in the archives of the Anglican Church of Canada. The description referred to a short-title catalogue of holdings in the area of linguistics, and mistakenly described it as being produced by Toronto Public Library. The catalogue, A Bibliography of Inuit (Eskimo) Linguistics in Collections of the Metropolitan Toronto Library, was compiled by Barry Edwards in collaboration with Mary Love, and was published by Metropolitan Toronto Library Board. The Editor regrets this error and apologizes for the embarrassment it caused.
