1. TREMAINE FELLOWSHIPS 1988

When Marie Tremaine died in 1984, she left the BSC/SCB a generous cash bequest and other benefits, "all to be held by the Society as an endowment, the income from said endowment to be used for such of the Society's purposes as its Council in its discretion may determine." Council has now determined to use the income each year to fund Tremaine Fellowships in bibliographical research, including textual studies and publishing history, with a particular emphasis on Canada.

The first chair of the Tremaine Fellowships Committee is Richard G. Landon; other committee members are Mary Jane Edwards and William P. Stoneman. We all look forward to an enthusiastic response from members who are engaged in bibliographical research and who require a subsidy of up to \$1,000 for travel, subsistence and research expenses.

Applications must be received by 29 February 1988 and awards will be announced by 15 April 1988. An application form can be found at the end of this issue of the Bulletin. Additional forms and information may be obtained from the Secretary-Treasurer.

The symposium is intended to alert scholars to the existence of several new microform sets of printed Canadiana and to show how they might benefit from using CIHM's collection.

The symposium will be chaired by Ramsay Cook (Professor of History, York University). Speakers include David Bentley (Professor of English, University of Western Ontario), Fran/ois-Marc Gagnon (Professor of Art History, University of Montreal), Muriel Roy, (Formerly Director, Institute of Acadian Studies, University of Moncton), Robert Montague (Executive Director, Canadian Institute for Historical Microreproductions).

The complete programme is to be announced on 31 March 1988. For further details in the interim, please contact: Mrs. Céline Bélanger at (613) 235-2628 (or by writing to her) at P.O. Box 2428, Station D, Ottawa, Ontario, K1P 5W5.

NOUVELLES RESSOURCES POUR LES ETUDES CANADIENNES

L'Association des études canadiennes et l'Institut canadien de microreproductions historiques proposent de parrainer un symposium l'après-midi du 1er juin 1988 lors de la conférence annuelle de l'AEC à l'Université de Windsor en collaboration avec les sociétés savantes.

Le symposium vise à informer les universitaires de l'existence de plusieurs nouvelles séries de microformes de publications Canadiana, et à leur montrer comment ils pourraient tirer profit de la collection de l'ICMH.

7. BISHOP'S UNIVERSITY LIBRARY HOLDINGS

The archives of the United Church of Canada for the Province of Québec will be placed on long-term loan to become a part of the holdings of Bishop's University Library. This collection consists of manuscripts and photographs, in addition to a back-up library including the Church yearbooks, books concerning Québec and various official publications. The collection is quite extensive, measuring 100 meters or 200 boxes. A complete inventory will be available and an archivist will be provided by the Church's Conference in order to deal with periodic additions to the collection.

Bishop's University Library has published the Lists of Eastern Townships Materials in the John Bassett Memorial Library, which includes the P.H. Scowen Eastern Townships Collection in its entirety, and also includes general works on Canada and Québec containing data relevant to the Townships. Material not in book form, located in the Special Collections Room, is also featured, consisting of archives, clippings, pamphlets, maps, oral history tapes and microforms. This is a preliminary list which will be revised in conjunction with the Eastern Townships Research Center. The two-volume set sells for \$20.00 and is available from the Bishop's University Bookstore, Lennoxville, Québec J1M 1Z7.

8. SACKVILLE POEM DISCOVERED

The kind of discovery of which literary scholars dream was recently announced by archivists at Mills Library, McMaster University, when a manuscript in their collection was confirmed to contain a hitherto unknown poem by Elizabethan poet Thomas Sackville (1st Earl of Dorset, 1536-1608). Sackville wrote a good deal of poetry, but only two of his poems were known to have survived. His "Induction" and "Complaint of the Duke of Buckingham" were published in the second volume of A Myrroure for Magistrates (1563), and he wrote part of Gorbuduc (1565), the first English blank-verse tragedy.

In the fall of 1986 the library had purchased at auction a copy of Frances Brooke's novel The Excursion (1777), which was in a lot with a bound manuscript accounts book. The accounts themselves date from 1653, but the book also contained "Sacylye's olde age", a poem written in a scribal hand of the late sixteenth or early seventeenth century.

The surprising discovery was made by Professor Malcolm Parkes of Keble College, Oxford, while visiting McMaster in September 1987. Professor Parkes calls the discovery "a spectacular find" and he is currently preparing an edition of the work for publication.
